# NEW MAGARE

What is the best part of your life?

Everybody has that special place, where we feel comfortable, where we can release our daily appearances just to be ourselves, in our purest essence.

Our home is the interior of our soul, the place where we draw our future, where we plan our dreams and where we live the best experiences among our dear ones.

Give yourself what you deserve, give yourself these little things that will make your life an endless moment of joy.

Allow your life be the best part of your life.

Come along to see the best we have for you.

The background is a watercolor-style composition on a light cream or off-white paper. It features several large, soft-edged washes of color. In the upper right and lower left, there are prominent washes of a muted, dusty red or terracotta hue. Interspersed among these are several bright, sunny yellow washes of varying sizes and shapes. The overall effect is organic and painterly, with many small, scattered droplets and splatters of the same colors throughout the page, giving it a sense of movement and texture.

Ah, a vida...  
O que se entende por viver,  
Senão momentos...  
Que momentos estes.

Oh, the life...  
What is the meaning of life,  
Just moments...  
What moments.

Íntimos à meia luz  
Ou à plena  
Só ou acompanhado  
Com seus queridos

Intimate, by the half light  
Or by full  
Alone or together  
With your dear ones

Ah, que momentos estes  
Onde mais gosto  
De me recatar  
Ou carnavalizar

Oh, what moments  
Where I like to be  
For reserve me  
Or carnivalize me

No meu recanto  
Meu porto seguro  
Meu lar  
O lugar que me completa  
Completa minha vida  
Ah, que vida.

In my corner  
My safe harbor  
My home  
The place that completes me  
Completes my life  
Oh, what a life.
